

Donation Request Guidelines

Thank you for considering Good Harvest Market and Hop Harvest & Vine for your organization's event or fundraiser. Due to the large volume of donation, sponsorship and community involvement requests that we receive each year, we kindly request that you fill out one of the attached request forms to be considered for a monetary donation.

While we can't donate for every cause that comes our way, we will take into consideration requests that are aligned with the values of Good Harvest Market and Hop Harvest & Vine.

Guidelines:

- All requests must be submitted and received at least 30 days prior to the date of the event. Requests received after this date will not be considered.
- We are not able to consider requests from political or religious organizations, or donations to individuals.
- We do consider non-profit organizations and schools, both public and private. We support local organizations which have a focus on organic foods, the arts, the environment, and/or sustainable living.
- As we recover from the pandemic and the resulting staffing difficulties, in 2022 we will primarily support organizations by donating 40% of Tuesday or Thursday evening's dinner service. See the Fundraiser Night Donation Form on our donations page for details.
