CEREMONY ON "THE POINT"

Exchange vows on "The Point," a picturesque outdoor ceremony site right on the edge of the conservation area, offering your guests a nature-inspired ceremony experience.

AFFORDABLE RATES

Our rates are competitive, with an all-day Saturday rental fee of \$1,600 and no mandatory food purchase requirements. Guests must purchase all beverages through Hop Harvest & Vine.

FLEXIBLE CATERING

For weddings over 50 guests, you can bring in pre-approved caterers. We provide a designated space for them to set up and serve from.

OTHER FEATURES

Hop Harvest & Vine features over 20 taps featuring locally brewed beers, hard ciders, seltzers, kombuchas (both alcoholic and non-alcoholic), and a range of sustainable, biodynamic, and organic wines available by the glass or bottle. (sorry, no hard alcohol).

The Pavilion has a small stage for a DJ or combo, along with space for a dance floor following dinner. While the pavilion holds up to 125, there is an additional indoor space which can hold 50 additional guests. Younger guests can enjoy the kids playground just steps from the pavilion.

OUR HISTORY

Our rustic Pavilion was built in the summer of 2023 as a relaxed space for dining, live music, yoga, meetings and other events. In early fall it was enclosed with all-glass doors and windows which allow for year round use, with views of the adjacent nature conservancy. Hop Harvest & Vine is a full service restaurant adjacent to Good Harvest Market, Waukesha County's largest natural food store.
